Geordie Score

When we came across an internet site specialising in adult fun for couples my wife Debbie said I could choose a man for her to sample.

I chose a man called Paul who, after I sent some pictures of Debbie down, was more than complimentary.

We received a photo of his cock too – a nine inch monster!

We met at a hotel and after a quick drink ascended in the lift. No-one spoke. I'm not sure if it was nerves or anticipation.

Debbie lay face down on the bed with her skirt hitched up, showing off her dainty G-string.

Paul and I got either side of her and we pulled off her skimpy top and underwear.

We both stripped off and ran our hands up and down her naked body.

I began to kiss the back of her neck but when I looked up Paul was finger-fucking Debbie and I had a pang of jealousy.

I could hear Debbie moaning and the squelching sound of Paul's fingers going in and out of her now very wet cunt.

After Debbie had cum heavily Paul moved up the bed and rubbed his cock over her face.

She opened her eyes and I wasn't sure if it was fear or joy that crossed her face when she saw the size of his cock.

She ran her tongue up the shaft a few times before she placed her mouth over the head, now leaking pre-cum all over the bed.

She took as much of it in her mouth as she could and began to suck the life out of him.

I opened her legs as wide as I could get them and licked and sucked her sopping cunt and rubbed her clit with my thumb.

Soon I felt her tense and enjoy her second orgasm of the night.

I told her to get on her knees and began to fuck her doggy-style as fast as I could. Paul stood watching and wanking for a while before I felt my balls begin to tighten.

PAUL GRABBED HER HIPS AND FILLED MY PLACE WITH A GRUNT, SINKING HIS COCK INTO HER GAPING HOLE.

I pulled out and spunked all over Debbie's arse.

Paul grabbed her hips and filled my place with a grunt, sinking his cock into her gaping hole with one thrust. Debbie was crying out with pleasure as he plunged in and out of her. I stood in front of her and stuffed my rapidly hardening cock in her gob.

She sucked as best as she could while she got fucked hard.

Debbie said she wanted his spunk on her tits so she lay on her back as Paul finished himself off, spraying his seed all over her tits and belly.

She licked the cum off her tits which was too much for me.

I shot off all over her face then let Debbie gratefully suck the last of it off my exhausted cock.

Michael, Tyne and Wear.

TASHA

If it's a bit of help with all the domestic chores you need, then I really can't recommend Tasha Holz highly enough! Not only does she have the perfect maid's outfit to make sure the dusting and polishing is done in the most eye-pleasing manner, she's also got the sort of body that just demands to be unleashed from the confines of that outfit once all the chores are done! To be honest I haven't seen a speck of dust on my gaff for months now, but I still feel the need to get her round every day to give everything another good going over.

Flash Bang Dollop

My husband Phil and I had arranged a two-girl photo shoot with a couple we knew, Jim and Cathy. Cathy and I were to wear our sexiest lingerie and the lads were to take the photographs. After a few glasses of wine we started to pose while both the guys snapped away. One particular pose had Cathy kneeling over my face while she held my legs up. Her wet gaping pussy was only millimetres away from my mouth so I lifted my head slightly and stuck my tongue up her wet hole. She gasped and I felt her push back onto my face so my tongue went even further inside her. As I tongued her cunt, it was my turn to gasp as I felt her warm tongue against my clit.

I forgot all about the blokes as lovely sensations flooded through my body. My head was swimming as a fantastic orgasm surged through me. Then Cathy got up and lay on top of me, kissing me passionately. My hand slid between her legs and I fingered her clit. She came all over my hand and we both licked her juices from my fingers, much to the amazement of the guys.

At this point, I decided I wanted some cock. I went over to Jim and got his pole out. I ran my tongue around his glans while Cathy pulled his trousers and pants right off. We got Jim to lie on the floor and while I slurped on his cock Cathy sat on his face. Then I squatted over Jim's cock, facing away from him. Inch by inch I fed his solid piece of meat into me until he was in up to his balls. His big cock really stretched my cunt as I slowly began to ride him. I ground my cunt against him until I felt him fire wads of thick, salty spunk deep inside me. As I slipped off him, Cathy came over to lap up our mingled juices. Phil was desperate for his turn so we both started on his cock with our tongues. He got a bit excited and shot his load over our faces and into our open mouths. We then got our toys and started to pleasure each other while the lads regained their erections.

To finish off the session, Jim fucked me from behind and Phil did the same to Cathy as we faced each other and kissed. My cunt ballooned with Jim's spunk and I came hard as Phil pulled out and spunked all over Cathy's face, her mouth wide open in ecstasy. I was only too happy to lick off the dangling manseed from her lips and chin. Any girl would have done the same! We hope to do it all over again soon, and hopefully we can find another well-hung stud to join us.

Jane, Hull.

Valentina

Valentine's Day is pretty well upon us once again, and in the absence of any girls called Valentine (it's a bit girly for a boy's name, isn't it?) we thought we'd give you the next best thing with Valentina. Mind you, with her incredible bod it's not really fair to suggest she's second best to anything, is it?

"I should hope not! As a mater of fact I had a grandfather from France who was called Valentine - it's not really seen as a girly name over there – and that's who I was named after. Apparently I take after him in lots of ways."

Not too many ways, we'd imagine, looking at you!

Blaster Chef

A fella was ogling my big tits in a hotel bar last summer while I was on a break with my partner Mark. We had been there three days and every evening this fella was sat in the same corner at the same time, always eyeing me up. He was a younger fella than my partner and I fancied some fun so I was pleased when he approached me at the bar. It turned out his name was Steve and he was the hotel chef who lived on site. He clearly had my knockers on his mind because he kept looking at my chest and he had a big bulge in his trousers! I told him I fancied a portion and would he be up for it, if he let Mark take some pictures. He was fine with that and said that he would give me my mouth for a while before pulling out and lying me on my back. I held my legs apart as he knelt between them and sank his cock into my pussy in one powerful thrust. While pumping away Steve loved sucking my big tits and squeezing them hard. He soon had me doggy-style and was fucking away till I felt him go rigid. I had had my "Full English". Now I wanted sauce! Turning me over again on to my back, I wanked his cock desperately and milked him on to my chin. He moaned with pleasure as thick ropes of spunk squirted out onto my

Well here we are kicking off the first issue of 2018, so we wondered if Sophia's got any particular plans for the new year...?

"I've got a few ideas – I've just started going out with a guy who's absolutely fantastic in the sack, and I'm fully intending to make the most of that this year. I reckon I'm at the height of my sexual powers right now, so I'm going to ride his big cock as often as I can. He's quite open-minded, so I reckon I should be able to talk him into a threesome easily enough, too. Having two big cocks to play with is my main plan for 2018!"

SAFFY

You don't have to be a dedicated ink fan to appreciate Saffy here – she's certainly very finely decorated, but that's only part of the appeal.

"Well I should hope so too! But my tattoos are a very important part of me, I think – they've grown with me as part of my personal journey, and each one reminds me of a certain time in my life."

Fair enough – so will you be getting one to remind yourself of the afternoon you got oiled up and played with an air vent for us?

"I'll never forget this moment - don't you worry!"

Kaye

Kaye's perfectly-shaven spadger gets a good work-out at least once a day - and that's even before her fella gets home...

"I get a bit edgy if I don't cum at least twice a day, so every afternoon I set aside half an hour with one of my favourite toys for a sneaky wank. I've got 15 of them altogether, and each one gives me a slightly different sensation – some are massive and really fill my pussy up perfectly, while others are more slimline and deliver more intense thrills to my clit. Either way, it never takes me long to bring myself off and then a good shag at night finishes the day off perfectly!"

REAL WIFE SEX

Beth's pal believes that lez is more!

I wriggled my hips from side to side as her licks sent me wild.

When my friend Kelly invited me round for a girlie night in one Friday I agreed, although I didn't know why she was so keen on the idea. It sounded almost as dull as staying in with my Dave, frankly, when usually I'd prefer to hit the town and have a bit of a spree, so I was slightly perplexed as to why she wanted to stay in with a bottle of wine and whatever we could find on Netflix. Anyway, I needed to save some money and didn't think the local pubs and clubs would suffer from our absence for one weekend, so I agreed to a quiet evening in.

Kelly had decided to cook when I went round to hers. Nothing special, just a pizza, some garlic bread and the obligatory side salad to stop us from feeling too guilty. We washed the food down with a bottle of wine, and then opened another one to share while we watched the film.

The film we settled on was some recent rom-com effort, not my cup of tea but Kelly had chosen it as we couldn't settle on anything better to watch. We both sprawled out on opposite ends of her sofa, Kelly turned the lights off and the film began.

Within a matter of minutes of the film starting Kelly shuffled around on the sofa so that she was now snuggled up against me. I didn't find this too weird as we are usually quite tactile with each other but when she clasped my hand I found it a bit strange. Strange, but quite exciting at the same time.

I thought

nothing of it for a few more minutes, then Kelly started stroking my leg. She ran her hand across the inside of my thigh, teasingly close to my mound.

"What the hell are you doing?" I asked, slightly alarmed.

"Shhh!" Kelly replied, placing a finger over my lips before leaning forward and kissing me.

I was in shock at one of my best friends coming on to me, but for some reason I didn't resist. I'd never particularly had feelings for another girl before, even one I knew really well. Everything was so confusing but since I wasn't pushing Kelly away in disgust, she came on heavier.

I felt her hand slip under the waistband of my jeans. Her fingers moved over the front of my knickers and I gasped as all that separated my pussy lips from her touch was a layer of cotton.

Kelly continued to rub me gently, obviously trying to ascertain some sort of reaction from me before she proceeded any further. To let her know I was comfortable with her advances I opened my legs so that it was easier for her to get her hand around my crotch.

Pulling her hand back a bit, Kelly slipped it under my knickers and pushed it back down. I shivered as her fingers slid across my shaven mound and then came to rest on my moistening slit. Slowly she inserted a finger between my love flaps.

Looking up at me for some sort of approval I nodded to Kelly and she began to tease my sensitive bud with her fingers. Pretty soon she had me worked up into such a horny state I didn't care that it was another girl pleasuring me.

Confident that I wouldn't object, Kelly undid my jeans and slowly pulled them off along with my knickers. Once I was naked from the waist down she repositioned herself so that her head was between my legs and that's when the real enjoyment began.

She pushed her tongue against my soft folds and soon slipped it across my clit. Every time the tip of her tongue touched my nub I was drawn into a deeper state of sexual gratification.

I grabbed hold of Kelly's head and pulled it close to me so that she wouldn't stop eating me out. She didn't. She lapped at my pussy like it was the last time she was ever going to do it. I'd decided that it wouldn't be but made the most of it anyway.

It didn't take long for Kelly's tonguing to take me over the edge. I wriggled my hips from side to side as each one of her licks sent me wild. Then I was gripped by an almighty orgasmic spasm.

"Oh my…" I whimpered as Kelly continued to feast on my sodden gash. I rewarded her with a stream of my own juices, which she gladly lapped up.

When my climax had subdued Kelly finally pulled away from between my legs. Her face looked a right mess covered in all my juices. She smiled at me, clearly pleased that I had succumbed to her ways.

"Did you enjoy that?" She asked with an eager grin on her face.

"Well, what do you think?" I replied. But then I didn't give her a chance to answer that. I pulled her close to me and started to kiss her. Our embrace got deeper and I think that probably answered her question. That or the ensuing muff-diving marathon that followed.

Now I'm managing to save quite a bit of money with girly nights over at Kelly's – Dave doesn't seem to care, 'cos it means he can watch whatever he likes, and (for some reason he can't fathom) I'm always really horny for a good fucking when I get home!

I shivered as her fingers slid across my shaven mound and came to rest on my moistening slit.

MY FAVOURITE DI

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what they like to get up to in our absence...

06. Chell
Mansfield
"I've had plenty of stiff pricks in my time," says Chell, 51, "and I like to keep myself in shape with this between doses of cock."

07. Tracey
Hants
"I used to go out with a guy whose cock was like this – big, black and hard!" says 28 year old Tracey. "I got this to remind myself of all the amazing fucks we had."

Taylor

We love a woman who knows what she's doing in the kitchen – especially if what she's doing is taking off her clothes and playing with her juicy flange…

"Being in the kitchen always gets me really horny. I used to go out with a guy who had a thing about fucking me from behind when I was preparing dinner. It made chopping things up a bit tricky sometimes, but it means that whenever I'm cooking now I often crave a hard cock slamming into me!"
